President's Message

The AGA Austin Chapter promotes leadership across all levels of government and advances accountability and transparency through service, integrity and leadership. During 2025-2026, we supported community-service initiatives across the Austin area and offered professional development for federal, state and local government employees. In April 2026, the chapter hosted its first Professional Development Training since 2022, renewing an important learning and networking opportunity for our members. Looking ahead, we will strengthen community service, expand networking, deliver high-quality CPE with diverse and engaging speakers, and build partnerships with organizations that support our mission. We will also increase the chapter's visibility across the Austin area, recruit new members and cultivate future chapter leaders who can bring fresh perspectives and sustain the chapter's long-term success.

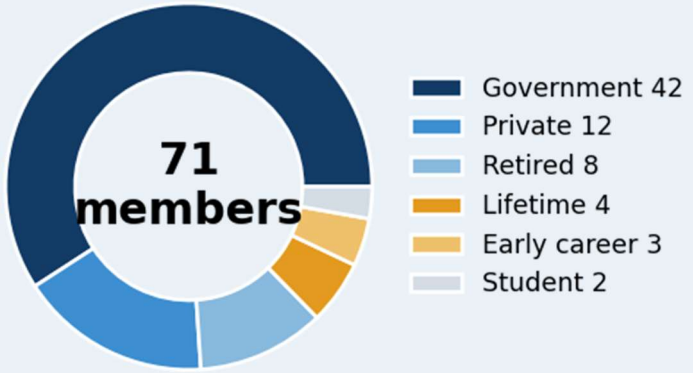

Jamyen Robinson-Hall | Chapter President
